

Shortcut Quick Sheet

MAC VERSION

Basics

Apple + s = save
Apple + shift + s = save as
Apple + O = open
Apple + N = new file
Apple + Q = quit
Apple + Opt + delete = force quit
Apple + z = undo
Apple + shift + z = redo

Selections

Apple + d = deselect
Apple + shift + d = reselect
Apple + shift + i = select inverse
Apple + Opt + d = feather selection
Hold Shift = add to the selection
Hold Opt = subtract from selection

Adjustments

Apple + L = levels
Apple + B = color balance
Apple + i = invert
Apple + u = hue/saturation
Apple + T = free transform
-- hold shift key or select  to keep proportionate

Views

Apple + + = zoom in
Apple + - = zoom out
Apple + 0 = fit to screen
Apple + Opt + 0 = show actual pixels (100% magnification)

Access to Tools Whilst using Another Tool

Apple = move tool
Spacebar = hand tool
Apple + spacebar = zoom in tool
Opt + spacebar = zoom out tool

Tool Shortcuts

V = move Z = zoom C = crop M = marquee T = type I = eyedropper
